Superintendent of Schools

September 3, 2021

Dear South Hadley Community,

The mold mitigation process **at the high school** will begin tomorrow morning, September 4<sup>th</sup> and continue throughout the Labor Day weekend and into next week. The work that needs to be done is extensive. At this time, we do not yet have a return to school date. This is due to the remaining testing and mitigation work that must take place to ensure a safe learning space for our students. Additional information will be shared as it becomes available.

Sincerely,

Jahmal Mosley, Ed.D.  
Superintendent of Schools
