Superintendent of Schools

August 17, 2021

Dear South Hadley Parents and Staff,

I am writing this correspondence to provide an update to the district's decision to continue with the **Mask Requirement Policy**, [SHPS Face Masking Policy](#), in our schools.

Safety is paramount. South Hadley Public Schools will continue to monitor The Centers for Disease Control and Prevention (CDC) and The Massachusetts Department of Elementary and Secondary Education (DESE) content as information is published. Please understand that safety and school protocols are subject to change according to the rate of infection.

I encourage you to routinely visit The South Hadley Public Schools website's **COVID-19/Re-opening Schools** page, [SHPS Re-opening](#), where I will be posting updates and sharing information. Each school also has a building based re-opening team that will be sharing school specific plans and expectations with you. As always, the school principals are available to address questions and concerns.

Thank you for your cooperation as we work together to keep our community safe and schools open.

Warm regards,

Dr. Jahmal Mosley
