

Hello SHPS Students and Families,

While families most certainly have their plates full worrying about child care, activating learning activities for their children, and keeping everyone healthy, we don't want families that have students who receive Free/ Reduced lunch to have to worry about daily meals, as well. The School Committee has graciously put aside \$40,000 to help qualified families.

Starting this Thursday March 19th and every Monday, Wednesday and Friday, all SHPS students who qualify for Free/ Reduced lunch will be able to go to SHHS from 11-1 on those days for curbside delivery. To go bags will include two breakfast meals and two lunches, except on Fridays, when bags will have one breakfast and one lunch. These meals will be free of charge. While we understand that transportation may be an issue for some families, we are working on finding a solution as quickly as possible.

Families will be asked to fill out a pre-registration form on Thursday so we know how many meals to prepare weekly. We encourage all interested students and families to come to SHHS this Thursday 11-1.

On another note, additional SNAP benefits will be available to qualifying families, as well. Our local food pantry has also reached out to encourage families to access their resources, as well.

Thank you,
Diana Bonneville
